A one-year subscription to The Bridge Companion is 6 issues, published every other month during the year. The basic subscription rate is \$24 per year (6 issues). Special value subscription packages are available to enable the reader to study a broad aspect of the game or to order a complete set. All back issues are available, so those that cover specific topics of interest may be ordered. Three reference charts are available, one each on bidding, play, and defense. These are intended as a quick "at-the-table" reference and cover the basic fundamentals. Unless otherwise stated, auctions in all articles are written using the modern five-card major bidding style as outlined on the Modern Bidding Reference Chart.
